FEATURING

**TECHNICAL &
NON TECHNICAL EVENTS**

EVENTS RULEBOOK

GENERAL RULES:

- **Eligibility:** Students from any department and any class are eligible to participate.
- **Team Formation:** Teams may be formed with students from any department or class.
- **Participation Limit:** Each participant can participate in a maximum of one Technical Event and one Non-Technical Event.
- **Timing:** Participants may participate in both events only if the event timings do not clash.
- **Reporting:** All participants must report to the respective venue at least 15 minutes before the scheduled time.
- **College ID:** Participants must carry their valid college ID card during the event.
- **Discipline & Conduct:** Participants are expected to maintain discipline, decorum, and sportsman spirit throughout the event.
- **Disqualification:** Any form of cheating, malpractice, or misconduct may result in disqualification.
- **Judging:** The judges' decision will be final and binding.
- **Event-Specific Rules:** Participants must follow the specific rules and guidelines of each event.

BUGGY CODE

RULE BOOK

EVENT FORMAT

- The event will be conducted as a team event with 2 participants per team.
- Each team will be given a folder containing buggy programs in both C and Python.
- The problems are divided into three difficulty levels:
 - Easy
 - Medium
 - Advanced
- Teams must identify the errors, debug the programs, and submit the correct working code.

BASIC RULES

- 1 Each team must consist of 2 participants.
- 2 Teams will have a maximum of 2 hours to solve the given challenges.
- 3 Participants must solve problems from both C and Python.
- 4 Teams may attempt the questions in any order.
- 5 Each correctly solved question will count towards the team's total score.
- 6 The team that successfully solves the most questions within the given time will be the winner.
- 7 In case of a tie, the team that achieves the score in the shortest time will be ranked higher.

RULE BOOK

ABOUT THE EVENT :

ByteBid is a fast-paced tech auction where teams bid using virtual BITS to acquire a Domain + Topic. Teams then have 45 minutes to prepare and present a PPT, testing their technical knowledge, strategy, teamwork, creativity, and presentation skills.

RULES & EVENT GUIDELINES:

1. Exactly 3 members per team. No member changes after registration.
2. Each team gets 250 BITS (fake currency),
3. Each Domain + Topic starts at 10 BITS. Minimum bid increase: 5 BITS per rise.
4. 30 seconds after the last bid. No further bid = SOLD.
5. Once won, the Domain + Topic cannot be swapped or resold.
6. Shouting over the auctioneer or disruptive behavior will result in a warning. Repeated violations may lead to mark deduction or disqualification.
7. Teams must prepare and present a PPT based on their bidded Domain + Topic. PPT format/guidelines will be shared later.
8. teams will have 45 minutes to prepare a PPT. Late submissions may result in mark deduction or disqualification.
9. Presentation Time: 4–7 minutes, followed by 2 minutes of Q&A.
10. All 3 team members must participate in the presentation.
11. The auctioneer's and judges' decisions are final and binding.
12. Participants must maintain discipline and respectful behaviour throughout the event and follow the instructions of the organizers and volunteers.

RULES & GUIDELINES

— REEL MAKING COMPETITION —

*SAME
STORIES
BIGGER
IMPACT*

01 PARTICIPATION

- Participation is strictly individual.
- Each participant can submit only one reel.
- Team submissions are not permitted.

03 3-DAY COVERAGE

- Participants must capture the overall hackathon experience across all 3 days.
- The reel should showcase different aspects of the event, such as:
 - Hackathon atmosphere
 - Participants & teams
 - Coding & development
 - Projects & innovation
 - Activities & side events
 - Challenges & fun moments
 - Final moments & highlights
- The final reel should represent the complete 3-day experience, not just a single moment.

05 CREATIVITY & EDITING

- Creative storytelling, transitions, music, text, effects, and subtitles are allowed.
- Editing should enhance the story and overall presentation.
- The final work should be original and created for this competition.

07 SUBMISSION

- Submit the final reel through the official submission method provided by the organizers.
- Deadline: 25th – 10:00 PM.
- Late submissions may not be accepted.
- Once submitted, changes may not be permitted.

09 DISQUALIFICATION

A participant may be disqualified for:

- Using a device other than an iPhone or camera for recording.
- Plagiarism or copied content.
- Submitting more than one reel.
- Missing the submission deadline.
- Violating content or event guidelines.
- Any attempt to manipulate the competition.

02 DEVICE RULE

- The reel must be recorded using an iPhone or camera only.
- Footage captured using Android phones, DSLRs, or other recording devices is not permitted.
- Editing may be done using any suitable editing application.

04 REEL FORMAT

- Reel must be in 9:16 or 16:9 format.
- Recommended resolution: 1080 × 1920 px (for 9:16) or 1920 × 1080 px (for 16:9).
- Submit one final edited reel.
- Reel duration must follow the duration specified by the organizers.

06 CONTENT & CONSENT

- Respect the privacy and consent of people appearing in your footage.
- Do not record or publish sensitive/private information visible on screens or documents.
- Offensive, vulgar, discriminatory, hateful, or inappropriate content is strictly prohibited.

08 JUDGING CRITERIA

- Creativity & Originality
- Storytelling
- Hackathon Coverage
- Editing & Presentation
- Engagement & Overall Impact

10 FINAL DECISION

- The judges' decision will be final and binding.
- The organizing committee reserves the right to reject any submission that violates the competition rules.
